**Administrative Notes:**

- An additional 3% processing fee will be added to payments made by Credit Card.
- For Full Status Family Memberships with Cart Passes: For kids to drive HCC golf carts, the child must be 14 with a valid driver’s license. If you have a cart plan for the year and want a lanyard with key attached, please include a separate payment of \$50 for such.
- For members without a Cart plan: Remember a copy of your driver’s license must be presented to the club house in exchange for a cart key. A waiver must also be signed for every member renting a cart.
- Payment of memberships will be accepted two ways. Either paid in full, or by 6 monthly payments. If membership is started later in the year, final monthly payment will be due by September 30<sup>th</sup> (so may not have the option of the full 6 monthly payments).
- Any memberships cancelled prior to completing full payment will not be allowed to be renewed the following year until full payment is received.
- For open charge accounts you will be sent your statement on the 1<sup>st</sup> of every month. You will have 10 days to choose to pay your tab however you wish (cash, check or card). On the 11<sup>th</sup> of every month, we will charge your credit card on file for any outstanding balance owed.

**Reminder of In-House Charge Account Policy:**

- To open your in-house charge account HCC will require you to fill out and submit a credit card authorization form (if you did this last year and wish to use the same card, you’re good to go). Once you submit the authorization form you will establish a charge account with Net 30 terms. As mentioned above, your card will be charged on the 11<sup>th</sup> of every month for any outstanding balance. \*\*If a transaction cannot be processed for any reason, you will be charged a 1.5% late fee. \*\*
- Should you choose to not open an account you will be required to “open a tab” by placing your credit card at the bar until you choose to close-out for the day.
- If you wish to prepay your account, we will kindly let you know when your balance is becoming low either through your monthly statement or simply informing you at The Club upon your request. There is always the option of paying with cash or with credit card per transaction.
